

WELCOME TO THE 38TH ARROWTOWN AUTUMN FESTIVAL

Running as a true community event since 1985, the Arrowtown Autumn Festival showcases local talent as well as our beautiful town as it shines during the autumn months.

With over 40 great food, wine, music, art and community events, there is something for everyone and we are proud that 70% of our events are complimentary to attend.

Check out the event listing on our website for more information about the events and tickets.

DELIVERED BY THE COMMUNITY FOR THE COMMUNITY

A huge thank you to our volunteer crew supported by Skyline Queenstown, as well as the volunteer committee who are essential to the success of the event. Also, thank you to the generosity of local businesses who support and donate prizes for festival events.
