If you are a resident on **Villiers or Surrey Street**, it is advisable that cars are removed from the roadside as these roads are the exit route for our vehicular parade participants, (parade begins at 2pm and is usually completed by 3pm).

We will endeavour to get the roads open as early as possible after the street parade and are hoping it will be around 5.00pm. If you are expecting any deliveries on this day please ensure they are carried out before **8am**.

Alternative bus stop for Saturday only – Anglesea Street (opposite Rose Douglas Park).

**Sunday 28 April 2024 - Period of closure is 10.30am to 7.00pm**  
**Road closed for Pie, Pint and Pinot**

Please accept our apologies for any inconvenience that may be caused to you or your business during these road closures. We hope you get a chance to enjoy this year's Arrowtown Autumn Festival and we appreciate your ongoing support.
